

Complex and Hard-to-Place Risk Solutions

Admitted & Non-Admitted Paper

Transatlantic Underwriters (TAU) is pleased to offer financial protection for complex and hard-to-place risks provided by an A+ (Superior) rated carrier, available on both Admitted and Non-Admitted Paper.

We can provide product flexibility (including first dollar coverage), broad deductible options, and self-insured retentions. This coverage also includes exceptional risk management and loss control services that provide solid solutions and telematics support.

ACCEPTABLE RISKS

Generally acceptable risks are those accounts that are/have:

- For-hire truck fleet risks with 11 or more power units
- Minimum four years in business
- Severity or historical loss frequency issues
- Unsatisfactory or Conditional DOT rating
- Poor SMS scores
- Risks currently in cancellation or nonrenewal status

UNACCEPTABLE RISKS

- Non-fleet risks with fewer than 11 revenue-generating power units
- New ventures with three years or less experience
- Qualify for and/or have any option from a standard or preferred market
- Risks domiciled in Massachusetts or the District of Columbia
- Risks experiencing significant growth
- Risks with any hydraulic fracturing exposure or oilfield exposure
- Large sub-haul exposures
- Stand-alone hired and non-owned auto
- Dumping risks
