

# Builders Risk

TAU provides flexible, reliable solutions for your Builders Risk clients. With strong capacity, broad eligibility, and tailored coverage options, we support residential and light commercial projects across the country.

## CAPACITY

- Up to \$40,000,000 concrete construction, including \$15,000,000 for better construction for existing structures
- Up to \$30,000,000 frame construction, including \$5,000,000 for existing structures

## ACCEPTABLE RISKS

- General Contractor with a minimum of 2 years of experience
- Protection Class 1-8
- Barrier islands & beachfront acceptable with capacity limitations
- Can do mid-term starts

## TARGET CLASSES

- Single Family / Custom Homes
- Condominiums / Townhomes
- Residential Renovations
- Light Commercial Buildings
